### A Message from the Chair

**By: Gwenne Allgaier**

**H**ello  
Fellow  
Democrats  
and Progressives.....

We live in a critical moment for progressive democracies. We can make a difference in the lives of our children and grandchildren, but we must ACT, now, to preserve a system where honesty, integrity, social justice and democratic norms are bedrock values. Unbelievably for us, we can no longer take these values for granted in the United States of America. This year, we have the challenge and the opportunity to elect representatives who will fight for these values, and who believe that our government can and should be a vehicle to make people's

lives better, and who will serve as a check on our President. You can help the Leelanau Democratic Party work to elect high integrity people committed to representing the people - and we need your help.

Inside this issue of our newsletter, you will find information on our candidates and activities. Our candidates need us to canvass for them, to donate to their campaigns if we can, to spread the word, to encourage everyone you know to VOTE! If you haven't joined the Leelanau Democratic Party and the Michigan Democratic Party - now is the time to do it. We are very careful to use your money to help elect our candidates, and the MDP is working hard to support candidates throughout the State.

We also have an office! We will have info, signs, candidate information and a

smiling face at 101 S Dame St in Suttons Bay soon.....and, btw, we need volunteers to staff the office !

Lastly - join us on Labor Day, September 3, at Peterson Park, north of Northport, for our annual Labor Day Picnic, from 1 til 5. We will have a chance to hear from our candidates, socialize with other Democrats and enjoy great food!

Enjoy your summer! Hope to see you soon.....

# DEMOCRATIC CANDIDATES

**My name is Lois Bahle and I am running for Leelanau County Commission, District 3.** I am recently retired from working in my family business as the Women's Buyer and Property Manager at Bahle's in Suttons Bay. I am a 4th generation resident of Suttons Bay. I have served on the Suttons Bay Village Planning Commission, Leelanau County Planning Commission, Inland Seas Board and am a past President of the Suttons Bay Chamber of Commerce. I am a founding member of the Leelanau Trail, and a past President of the TART Board. Currently I am a member of the Leelanau County Housing Action Committee, member of Northport Energy, and a board member of Suttons Bay /Leelanau Rota

**Advocate for strong communities.**

County Government should collaborate with governmental non profits and citizen groups to promote resilience in our community. I will strive to maintain personal contacts with and Township government.

**Support efforts to expand affordable housing.**

County Government should assist where possible in building housing for the middle, for families and young professionals as well as rental housing for our seasonal and service employees.

**Provide good stewardship and wise growth.**

County Government should promote good stewardship of our land, while advancing the infrastructure needed for economic development. I will work to complete action on the often repeated issues from the Leelanau General Plan: Septic inspections and broadband expansion. I think global and act local: Advocate for clean renewable power whenever possible.

## Peachy Rentenbach

### Democratic Candidate, District 6 County Commissioner

I am running a Return Rentenbach Campaign for District 6 County Commissioner. I have made decisions as a commissioner in past years using critical thinking, logic and reason. I want to be **YOUR** voice on the County Commission and am ready to get back to work! I hope to be able to bring those skills along with attentive listening back to the Board of Commissioners. With election, I will represent the interests of my constituents and

the entire County.

Making fiscally sound decisions, working for environmental health and clean water, developing relationships with township and village government, the Grand Traverse Band and non-profits to serve our common good are worthy goals. I will be working to encourage economic development and support efforts to encourage young families and seniors in their ability to lead comfortable, productive lives in our beautiful Leelanau.

## Ty Wessell

### Democratic Candidate, District 4 County

### Commissioner Leelanau Twsp. and parts of Suttons Bay Twsp.

It has been a privilege to serve you as a Leelanau County Commissioner for the past four years. I've worked with fellow Commissioners on a number of critical issues -- **partnerships with non-profits, housing, safety, substance abuse, economic development, environmental protection, broadband expansion, and support for families and seniors.** As a Commissioner, I have been dedicated to tireless effort in promoting civility, dialogue and responsible decision-making. I have worked successfully to ensure our County's fiscal well being and played an active role in Commissioner discussions on the role of the County in supporting the needs of families, businesses, and residents.

In my third term, I will roll up my sleeves and work to provide:

- ☆ Responsible fiscal management
- ☆ Community partnerships to support families, business owners and seniors
- ☆ Advocacy for affordable housing, environmental stewardship & broadband access
- ☆ Protection of what makes Leelanau County such a great place to live, work and raise a family

Please contact me at [ty.wessell@gmail.com](mailto:ty.wessell@gmail.com) or (231)432-0066 if you have questions, concerns and/or suggestions. Thank you!

# Patricia Soutas-Little

## Democratic Candidate, District 5 County Commissioner

The lack of housing (both short term and year round), lack of high speed Internet services (in some cases no Internet service), sufficient workforce to support our businesses, a livable wage for our workers, attracting young families and ensuring adequate quality child care and other services are available-these are key issues that impact our current and future economic vitality and the ability for our residents to live, work and play in Leelanau County.

Although good progress is being made on these issues there remains much work to be done.

I have been fortunate to be involved in a number of organizations and committees that are working to address these and other challenges

our County faces. *I am asking for your support to serve another term as Commissioner to complete the work begun on these important issues.* While it is not possible to implement permanent solutions within the next two years on all of these issues, significant progress is possible on initiatives that have been started on housing, Internet, early childhood programs and services and senior services. For more information on housing and Internet, and early childhood activities please visit the following websites:

<https://leelanau4business.org>

<https://www.facebook.com/LeelanauLIFT/> .

<https://www.facebook.com/PCLeelanau/>

It has been an honor and a pleasure to serve as one of your commissioners for the past two terms and with your help and support we can continue to address those issues that impact our quality of life in Leelanau. By August 1st my campaign website, <http://www.electpatricia.org> will be available and I invite you to visit that and my FB page <https://www.facebook.com/SoutasLittle/>.

# Julie Morris

## Democratic Candidate, District 7 County Commissioner

I am Julie Morris, a resident of Kasson Township and a candidate for Leelanau County Commission, District 7. My Leelanau County roots extend more than six generations and include members of the Life-Saving Service, lighthouse keepers, farmers, lumbermen, ministers and teachers.

I currently serve as Treasurer of the Manitou Islands Memorial Society and I am a trustee on the Glen Lake Community Library board. My lifelong passion has been teaching. I served in the US Army stateside and in the Republic of Korea. My dedication to my country is clear. My devotion to Leelanau County is even stronger.

### *Representation for all Residents:*

Communities are strengthened when everyone has a voice. In addition to regularly attending Kasson and Solon Township Board meetings, I will actively and regularly solicit input from all members of District 7: business owners, property owners, renters, seniors, children, and our workforce.

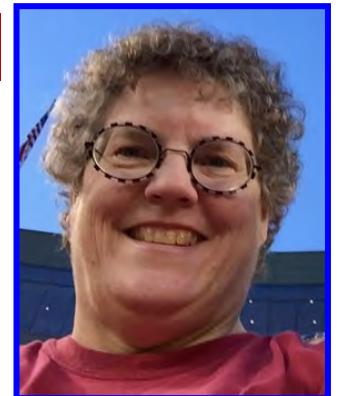

## Get More From Morris!

### *Affordable Housing:*

Our workforce is the heart and soul and hands of Leelanau County. We need the energy and vibrancy of young families and young professionals. We need to support our business community with affordable housing for their employees. It is in the best interest of county government to assist in whatever ways it can to providing affordable housing.

### *Protection of our water:*

One of our most precious resources is our abundance of pristine water. We are responsible for maintaining the beauty and purity of our rivers, lakes and streams. It behooves us to protect our water so it will be available for generations to come.

## MATT MORGAN, DEMOCRATIC CANDIDATE FOR THE 1ST CONGRESSIONAL DISTRICT

I grew up in a working class family in the rural Midwest. My dad worked highway construction and my mom was a public school teacher. We lived in an agricultural community – I spent my summers detassling corn and walking beans. On Sundays, we'd go to church and then have a potluck with grandparents, aunts, uncles and cousins.

My parents instilled in me the importance of faith, hard work, and public service, which is why I sought out military service. After graduating from the University of Illinois, I earned a commission in the United States Marine Corps. I had no idea that would be the beginning of a 20-year career, where I would deploy routinely overseas, culminating in several senior staff roles where I'd provide counsel to numerous

military leaders, including the Secretary of Defense.

Since leaving the Corps, my career has led me to exciting projects in the television and film industry. But I have had a nagging feeling that I could be doing more to help my community. Public service was calling, and I knew that I need to answer.

I believe the purpose of government is to provide for the common good. Yet this foundational principle, set down by our Nation's founders in the preamble to the U.S. Constitution, is too often lost in today's bitter political climate. I know there are many citizens, like me, who want politicians to have the courage to set aside partisan politics and truly represent their

in-

terests. As your Democratic candidate for Michigan's 1st Congressional District, I will do just that. I've fought for our country's freedoms overseas, now I want to fight for our way of life. We work too hard for what we have.

**We deserve better.**

**ATTENTION!**

# Kathy Wiejaczka

**Democratic Candidate for  
101st Representative**

## Greetings Leelanau Dems!

We want to start by thanking each and every one of you for your support and dedication over the past several months as we work hard to take back the 101st! We are running a truly people powered campaign and that starts with each and every one of you. We would never be where we are today without you. So thank you.

As Kathy reminds us frequently, this is not the Kathy Show. We are here to turn our district and our state blue and make sure that we put **PEOPLE FIRST FOR THE 101ST**. We are here to support our teachers and our schools and make sure every student has the same opportunities for success. We are here to make sure every person in our district has access to quality, affordable healthcare and that no parent has to choose between taking their child to the doctor or putting food on the table. We are here to bring good paying jobs, quality infrastructure, and a living wage to the 101st district so families can afford to live here and raise their children.

***But we can't do that without you.*** We need you to KNOCK DOORS and talk with voters. We need you to make phone calls and GET OUT THE VOTE. We need you to DONATE to our campaign to show the Koch Brothers and Devos, who are supporting our opposition, that Kathy's vote will not be bought. We need you to drive volunteers, bake cookies, host a house party, and do data entry - whatever your skills and comfort level are, we

**WILL** find a place for you in this campaign. *We are going to win this race, but not without you.*

To date, we have knocked over 3,700 doors, received more than 500 people powered donations from everyday people like you (and **NONE** from wealthy corporations and the top 1%), and have been endorsed by several wonderful organizations including the Leelanau County Democrats, the Benzie County Democrats, Planned Parenthood Advocates of Michigan, Michigan Education Association (MEA), American Federation of Teachers (AFT), Emily's List, the Michigan Association for Justice, the American Federation of State, County, and Municipal Employees (AFSCME), American Federation of Labor and Congress of Industrial Organizations (AFL-CIO), Woman2Woman, and have received the Moms Demand Action Gun Sense Candidate distinction (full list at [www.kathy101st.com/endorsements](http://www.kathy101st.com/endorsements)).

We hope you will join us in bringing the Blue Wave to northern Michigan. Please contact us for ways you can help, or visit our website at [www.kathy101st.com](http://www.kathy101st.com) to learn more and make a donation online.

Ready to fight! Ready to win!

## **Amazing Leelanau County Democrats**

At 92 years young, Pauline McClure is one of the LCDP's earliest supporters. Pauline and Jim McClure moved to Northport from Haslett in 1985. They were always active in politics and the Human Rights Party was actually founded on their back porch in Haslett. Pauline listened to the Democratic Convention when she was a young teenager and remembers being fascinated by it.

After moving north, Pauline noticed that being a Democrat in Leelanau County was something that people kept to themselves or spoke about in hushed tones. Seeing an article in a local paper about a couple trying to grow the local Democratic party, Pauline sent in a \$10 donation. That couple was Connie Soma, a retired Nun and Tom Hinsberg, a retired priest who were now married.

Just a short time after sending in her donation, Pauline got a phone call from Connie and Tom asking her to be a Precinct Delegate.

The LCDP started to grow bit by bit after that and efforts were made to get local people to run and win on the Democratic ticket. Pauline has been involved in County Conventions, poll watching, taking leadership rolls in local campaigns including Dan Scripps, Ty Wessel, and national candidates including organizing canvassing for Barak Obama (her favorite campaign). The LCDP has been so fortunate to have Pauline on it's team for 3 plus decades,

## **Senior Millage Information**

**VOTE  
YES**

According to the U.S. Census, Leelanau County's overall population these past eight years has held constant with very little change. However, the senior population has steadily increased and currently makes up 40% of the population (approx. 8,724). Based on the current trends of senior growth it is quite possible within the next three years that over 50% of the population eligible to vote in Leelanau County will be 60 years of age and older.

Leelanau County Senior Services has prided itself on being ready to serve all seniors offering support and resources to allow them to remain in their homes and living life on their terms.

This past year LCSS's newsletter reached 5,500 senior households per publication, and our services touched 29% of the senior population, approximately 2,500 seniors.

LCSS provides a broad spectrum of services and plays a pivotal role in connecting people with community organizations and services available to assist seniors in maintaining their independence. It has also been our honor to provide in-home services (personal care, respite care, medication management, and homemaking) and some financial assistance to seniors with a limited income falling under poverty guidelines.

As the senior population continues to rise in Leelanau County, Senior Services has seen an

increase in the number of seniors seeking information, services and support through our office. Senior Services is looking to the future to strengthen and extend our reach to all seniors to promote aging well in Leelanau County.

The Senior Service Millage will be on the August 7th Primary ballot with an increased millage rate of .320 for two years. The millage rate of .320 will equate to \$32.00 of tax for every \$100,000 in property taxable value per year. This would be an increase of \$4.50 per year from the current millage rate of .275.

The increase, if approved, will allow the Senior Services to:

**Enhance current services and supports for all seniors in their homes.**

Maintain in home services supported by Senior Services as well as offer home visits to assist seniors in making a plan for aging in place by connecting with them services provided by Senior Services or other agencies and service providers in the area including volunteers.

**Create additional educational opportunities related to aging and caregiving.**

Collaborate with individuals and organizations to offer classes and trainings related to specific health concerns as well as information to help prepare seniors for the future.

- **Increase activities to engage in healthy aging.**
- **Coordinate volunteer opportunities for seniors to assist other seniors.**
- **Expand senior transportation programs in Leelanau County.**
